Our Ref: FOI 2014/298

Following your request for information under the Freedom of Information Act 2000 which we received on 17th June 2014, we are providing you information as held by Chelsea and Westminster Hospital NHS Foundation Trust.

In your query, you requested the Emergency Department attendance data, on a month by month basis for the financial years 2012/13 and 2013/14. The data should include the following for each calendar month:

- Type 1 Majors patients that attended in each calendar month in the years (as listed above) and the number of those patients who breached the 4 hour measure.
- Type 1 Minors patients that attended in each calendar month in the years (as listed above) and the number of those patients who breached the 4 hour measure.
- Confirmation of which computer system you use for recording ED attendances

Please see attached excel spread sheet for the response. For question 3, Chelsea and Westminster Hospital use Lastword for Majors and Adastra for Minors.

We trust the above information is satisfactory to you.
