

Multidisciplinary Obstetric and Midwifery Simulation Course (MOMs)

Course Dates

29th November
2013

21st February
2014

AIMS

To promote multidisciplinary team working in Obstetric emergencies.

OBJECTIVES

Following the course the participant should understand how communication improves team working. Candidates should be able to describe how to optimise team working during obstetric emergency situations.

TEACHING METHODS

A one day practical course using lectures, high fidelity patient simulation and debriefing. It will allow the participant time to practice their skills, re-enforce their knowledge and apply these in the multidisciplinary simulated obstetric emergency environment.

WHO SHOULD ATTEND?

Obstetricians, Obstetric Anaesthetists, Midwives, Nurses and OPD's working in the maternity environment.

The course fee is:

£250 doctors

£200 midwives and nurses
