

Relationships

There are lots of different types of relationships that we can have.

We might behave differently depending on the type of relationship we have with someone

Some people we might hold hands with, hug or kiss

Other people we might not hold hands with, hug or kiss

we could be friends

We could be girlfriend and boyfriend

| | |
|---|---|
|  | <p>If two men hug and kiss each other in a sexual way this is called gay</p> |
|  | <p>If two women hug and kiss each other in a sexual way this is called being Lesbian</p> |
|  | <p>Some people like Men and Women in a sexual way this is called Bi Sexual</p> |
|  | <p>Men and women or two men or two women can get married</p> |
|  | <p>If you are not sure or confused about these things then speak to someone you can trust like a carer or a nurse or your GP</p> |
