AUDIOLOGY POLICY FOR LOST HEARING AIDS

If a patient has lost their hearing aid if they are able to/or family member can assist them they need to submit a signed letter stating that the hearing aid is lost.

If a patient has lost their hearing aid twice within a 12 month period, they need to see their GP for a new referral to Audiology.

If a patient continually loses a hearing aid please bring it to the attention of the Head of Audiology or the Deputy Head of Audiology.
